

Sponsorship Programs

Oak Mountain Youth Football & Cheerleading (OMYFC) is a community sports program that provides football and cheerleading programs where youth can participate in organized competition in a safe environment. We also strive to not only enhance participants' technical skills but to foster leadership and developmental skills through sportsmanship and teamwork. OMYFC is non-profit charitable organization and relies only on registration fees and sponsorships to fund our programs. Our organization is dependent solely on community volunteers to coach players and sponsorships to fund programs. Your sponsorship would allow our organization to continue to grow and provide much needed funds to help offset the costs of uniforms, equipment, field maintenance, referees, and registration fees. Your sponsorship would be greatly appreciated by the all participants' families and the countless volunteers whose efforts make this organization succeed.

In order to continue to make this rewarding experience a reality for our youth, we are reaching out directly to our community businesses, families and friends and offering the opportunity to help by becoming a league sponsor. While any level of sponsorship you choose will be greatly appreciated, higher levels offer greater exposure and more advertising opportunities. Each level includes your business name either on a shared banner or on an individual banner dependent on the level of sponsorship you choose. Each banner will be displayed on the fencing in front of the grandstands from August through November, where your business name will be seen by thousands of people, not only the Oak Mountain community, but also by the surrounding communities of the visiting teams.
